THE PENNANT 1922

PUBLISHED BY THE
SENIOR CLASS OF 1922
OF THE
HOUSTON HEIGHTS SENIOR
HIGH SCHOOL

HOUSTON, TEXAS

PRESS OF THE
REIN PRINTING COMPANY
HOUSTON, TEXAS

FOREWORD

We, the Seniors of 1922, have earnestly and conscientiously endeavored to make this book as true a representation of our school life, our classes, and our activities, as circumstances would permit. If, however, in spite of our efforts, we have fallen below your highest expectations, we beg you to overlook our errors, which are due to inexperience and limited means. Nevertheless, we sincerely hope that it will meet with your fullest approval

To the Graduates of 1922

S. P. Waltrip, Principal

Now that the close of your high school career has come, I am wondering what you have gained from your experiences here. How many of you have a clear conception as to the ultimate purpose of the high school? Your diploma is evidence only that you have completed a specified amount of high school work. It is not necessarily a measure of the amount of information acquired. Neither is it an estimate of knowledge gained. It is a misconception to think of the high school time as a period in which the mind is to be stored with facts and figures. If you have gained while here the ability to find your way to truth through the wilderness of uncertainty and misinformation, then you have profited greatly. A large percentage of the bare facts and figures which you have learned here will soon pass out of your mind. But the mental ability developed by this means should remain and be to you a constantly growing strength.

The development of the mental faculty is valuable in a large degree to the extent that it reacts upon the spiritual and moral side. Unless there has been established, cultivated, and strengthened within you a strong moral fiber, then you have lost one of the greatest benefits of high school experiences. On the one hand the young men and young women of today have greater temptations and larger responsibilities than those any other generation has ever known. The whole world, in its every phase, is undergoing some sort of change. The old established land-marks and barriers have become to some extent obsolete. It is largely your responsibility to find the way through the difficulties.

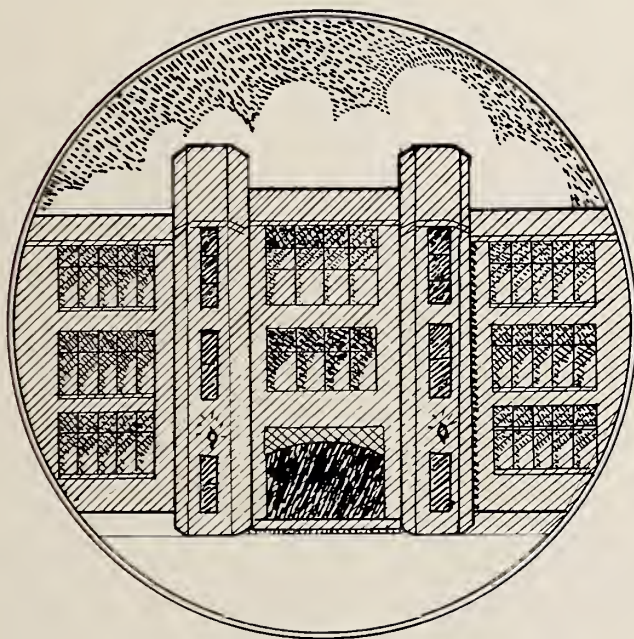

Do not idly loiter along the hallway of life, waiting for some door of opportunity automatically to open to you. Do not be a creature of mere circumstance. Select your door, open it, and walk in with a firm determination and an abiding confidence. An ordinary amount of ability, together with an abundance of industry, will insure your success. Should you have both of these qualities in large measure, your accomplishments will be only the greater.

Respectfully,

S. P. WALTRIP.

Molly Bruce }.....Gladys Williams

ACT I—Den of Theta Phi House—early in college year.

ACT II—Library in Preston Home—two weeks later.

ACT III—Interior of Athletic Club House—evening of day

of game.

First Intermission—Vocal Solo.....Catherine Hamblen

Second Intermission—Piano Solo.....Lela Newbank

First Intermission—Vocal Solo.....Catherine Hamblen

Second Intermission—Piano Solo.....Lela Newbank

TIME—The Present.

PLACE—Any college town.

COMMENCEMENT

JUNE 1, 1922

Selection.....High School Orchestra

March.....Miss Edna Merle Dawson

Invocation.....Rev. C. W. Rogers

Selection.....High School Glee Club

Salutatory Address.....Dora Iselt

Vocal Solo.....Minnie Neel

Address.....Mr. Claude Pollard

Class Song—"Our Alma Mater."

Valedictorian Address.....May Hickey

Vocal Solo.....Merle Sanders

Presentation of Diplomas.....Mr. R. B. Cousins

Benediction.....Rev. David Templeton

SENIOR CLASS HISTORY OF 1922

By Gladys Mancias

Who could ever forget that September morning when we, the "Seniors of '22," found ourselves in the halls of Houston Heights High School? I am sure each had looked forward to that autumn morning with great trepidation. At last those hopes were realized! No sooner had we organized our class than our two candidates for the Popular Girl and Boy Contest, Flora Morrison and Robert Waltrip, were chosen as the most popular girl and boy in the school. This victory won us admiration and respect from our upper-class mates and we felt, indeed, proud of ourselves.

But soon examinations were upon us; we hurriedly prepared to shed our "scales" and take on the importance of the lordly Sophomore. We now had our chance to make fun of the new-comers, but we rather envied the high and lofty Seniors. We were always a social loving class, and parties, dances, picnics and weiner roasts were not uncommon every month.

We entered upon our Junior year, which will never be forgotten because we were the first Juniors in our new high school. The football sponsor, Gladys Williams, was chosen from our class, and many of the Junior boys played on the football team. Many more social functions were given during the year, but one of these deserves special mention, the Junior-Senior boat ride. The boat ride had been

a custom for many years past, but it was different when given by the Class of '22. Perhaps its success was due to our untiring President, Clyde Melton. We made enough money to pay all our expenses and had a small amount left over, which we placed in the treasury. The Booster Club was organized during our Junior year. Frank Hines, of our class, was made Chief Booster.

As dignified Seniors, we feel that we have at last reached a lofty height. We have indulged in many social functions, one of which was the Community Party, given January 14, 1922, by the Parent-Teachers' Association for the Senior Class. There had never been a party of this kind given before, which novelty made it all the more interesting. As a means for raising money for our many expenses, we gave two Stunt Shows, which met with the approval of all the community, and were both a success. In addition to these, we gave an April Fool's Day Carnival at the school, from which we obtained money to pay for the Annual. Our Senior year has been truly the busiest of all our high school days, but I am sure it has been the most enjoyable.

PROPHECY OF THE LOW SENIOR CLASS

By F. Philetus Shannon

ACT I

SCENE—On board the "Senior Star" at the Ship Channel.

TIME—5:15 in the evening of June 19, 1945.

CHARACTERS

Bertha Schulte.....Parisian Artist and Dancer
Buford Luke.....An Aviator just returned from the Orient
Josie Mae Price.....A Popular Houston Stenographer

(As the curtain rises the three are sitting at the table taking tea.)

Bertha—"Yesterday I heard John Palmer argue a case before the court, and he was eloquent. The people cried and laughed and, when he had finished, the opposing lawyer gave up in despair."

Buford—"I always knew he'd make a good lawyer, but it's a wonder he has never married; he always was such a lion with the ladies."

Josie Mae—"Probably he belongs to the Bachelors' League. But, did you know that Kathleen Buser was a prima donna and is to take the leading part in 'La Tosca' tonight?"

Bertha—"Who is her advertising manager? It seems to me that I read something about Edward Prather being a member of the supporting cast and of Harold Loftin being in charge of all publicity matters."

Buford—"I wonder if we couldn't have an interview with them! I didn't know we had such a famous trio in our class."

Josie Mae—"Trio reminds me that Burnett Kennerley, Edward Isaac and Herbert Kelly are proprietors of a traveling show. They go from coast to coast and the acts they present are really clever. I heard that they would be in Galveston next week. Let's see them."

Bertha—"If we could just have a reunion of all the old class again!"

Buford—"Why not? Esther Macpherson and Dora Brader teach a private school in Harrisburg and Carroll Cox, who is a famous salesman, will be in Houston for the Fair and Auto Show tomorrow."

Josie Mae—"But what about James Jenson, Earl Edgely, Bertie Mae Minor and Zelma Johnson?"

Buford—"Earl Edgely married last year and has gone to Europe. Bertie Mae Minor and Zelma has taken up Red Cross work in New Orleans. As for James Jenson, he's the Sherlock Holmes of the Heights police force and a credit to our class."

Bertha—"Earl Edgely married! Never! I don't believe you're right. Why he was a woman-hater!"

Josie Mae—"Dear me! I've had a lovely evening, but it's time for Buford and me to go if we are to see the opera. Adieu, mam'selle. Bon voyage! Never forget our old high school days."

HISTORY OF THE JUNIOR CLASS

What an immemorable day that momentous September morning when we, the Juniors of 1922, first found ourselves huddled together in the halls of Heights Junior High School! We had all looked forward to this grand day with fear and timidity, mingled with surprise and thrills of delight. To think that at last our hopes were to be realized! It is true that we were Freshmen, but we were not ashamed of the fact, because all great things must have their beginning. Soon we settled down and our hard labor began. It did not seem very long before the examinations were scheduled and we became intensely gripped with fear, but our fears were soon overcome and we brought our flags through flying.

We then entered upon the broader path of the Freshman year, and we little "Fish" swallowed all the Jonahs like the whale did the biblical Jonah, only the Jonahs we devoured were hard lessons and quantities of knowledge. We applied ourselves earnestly and prepared for the second year of our high school career.

We began our Sophomore year in the most glorious and most beautiful school in the universe. Our class was well organized, and Miss (Reliable) Mildred Fulton was elected President. We not only studied and worked, but we had many good times. We were entertained by various members of the Sophomore Class, and we also derived much fun from hay-rides and weiner roasts. The Sophomore play, "Benjamin, Benny and Ben," was one of the great accomplishments of this class of 1920. The play, which was sponsored by Miss George Marshall Dukes, was a great success, and will be long remembered by all who saw it.

At last we became Juniors. Did we not feel our superior comprehensibility? Oh, yes! Even more than that! We may envy the sensational Seniors, but why do so? We will attain that coveted and exalted place next year, with more understanding and more knowledge than could be found in a library.

We stood strong in athletics, some of our Junior boys establishing wonderful records in football and basket ball.

It becomes the duty of every Junior Class to entertain the Seniors with a boat ride. We are planning, laboring, and desiring to give the Seniors of 1922 the most thrilling and pleasurable boat ride in all history.

The Junior Class has been active in all organizations of the school, that is, as far as it was permitted to be. We had an alive social committee that planned many snappy and joyful entertainments for us.

I close this history with a wish of good luck and a happy future to every Junior of 1922.

LILLIAN HUBLY.

SOPHOMORE CLASS HISTORY

By Cora Louise Marmion

On the morning of January 3, 1921, a large number of Freshmen, filled with hope and self-importance, found their way to the new Senior High School.

No one can imagine the feeling they experienced as they entered the halls of the building and were utterly lost therein. They, indeed, felt like "fish out of water." Gradually, however, they lost their feeling of self-importance, when they realized how "green" they were. They had no idea of where to go, and the only thing to direct them was a bulletin board which looked (at least to them) like a Chinese sign. Finally they found their way to rooms 105, 107 and 109, where they were enrolled in the so-called Freshman Class.

After the strangeness wore off, and they became established firmly, they felt more at home and grew to love their teachers and to take a pride in their studies—even Latin.

They organized their class with the intelligent "Mr. Leaman" as President and seemed to do well at first, but gradually the enthusiasm died away and they did not accomplish much. However, they studied hard, not wanting to be termed "fish" again, and looked forward to the day when they would be real "Sophs."

In September of the same year, after a joyous vacation, they assembled as Sophomores. They delighted in the superiority they felt over the Freshmen, but still looked at the Juniors and Seniors with awe.

At this time they organized with the ambitious Bruce as leader and Miss Ware as sponsor. Due to them, the class has prospered more than it did in its Freshman year. Miss Ware helped it wonderfully, and every member is grateful to her, but regret that they will not be with her again next term.

The Sophomores are well represented in athletics, having on the gridiron "Eck" Abercrombie, who is captain-elect for 1922; "Jay" Marmion, Alton Tidmore and Stanley Couvillion, who proved themselves valuable men. In basketball, track and baseball the class likewise have representatives who are bringing credit, not only to the class, but also to the school.

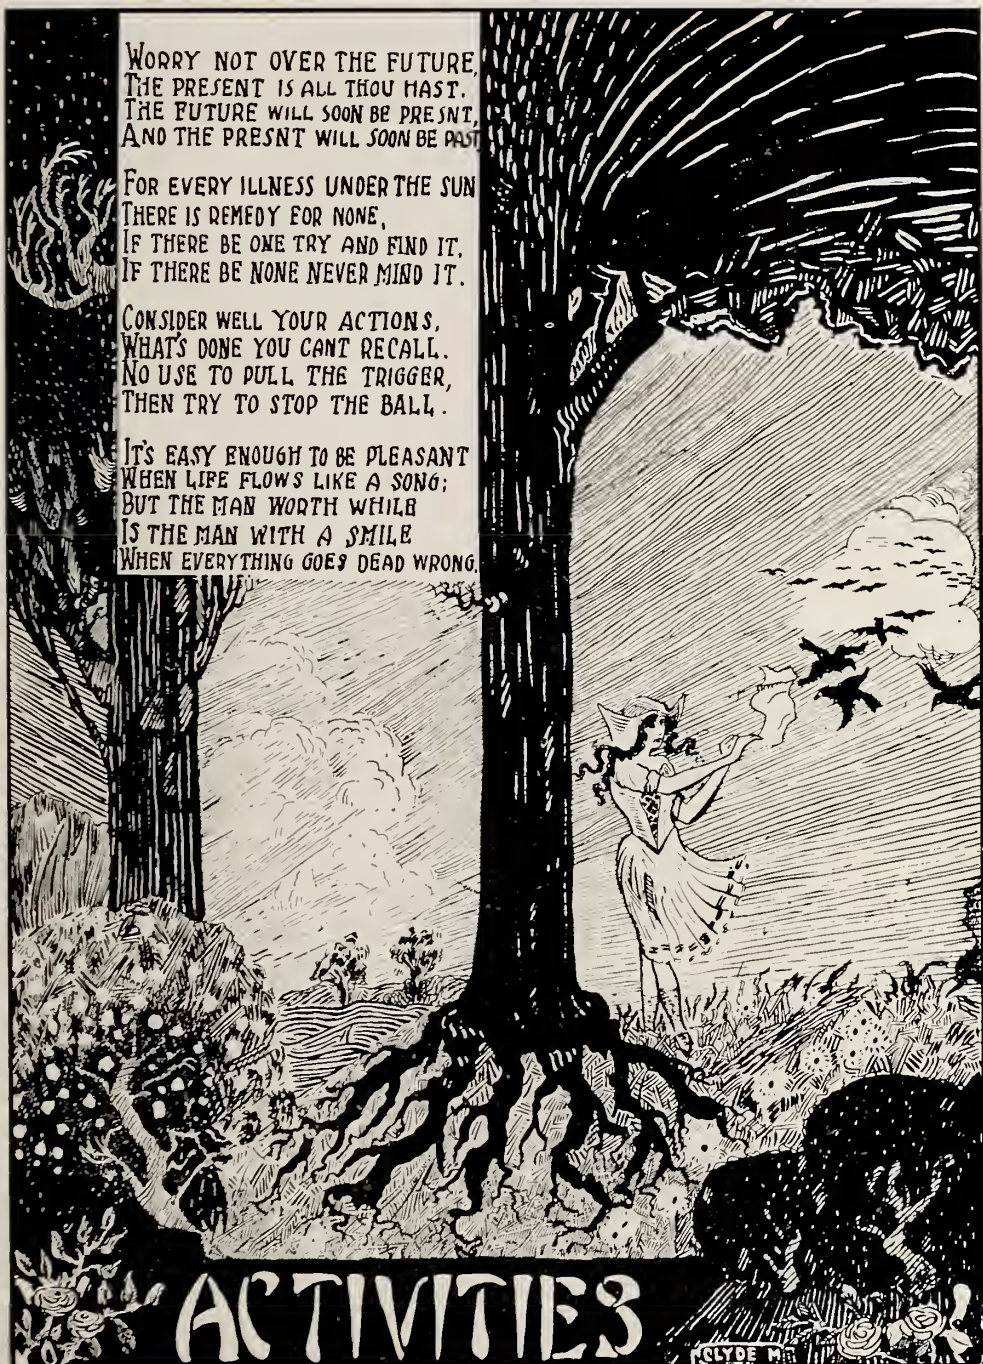

With the help of their dean, teachers who do their best to impart to them a little bit of their great amount of knowledge, the class as a whole passed the final "exams."

WORRY NOT OVER THE FUTURE,
THE PRESENT IS ALL THOU HAST.
THE FUTURE WILL SOON BE PRESENT,
AND THE PRESENT WILL SOON BE PAST.

FOR EVERY ILLNESS UNDER THE SUN
THERE IS REMEDY FOR NONE,
IF THERE BE ONE TRY AND FIND IT,
IF THERE BE NONE NEVER MIND IT.

CONSIDER WELL YOUR ACTIONS,
WHAT'S DONE YOU CANT RECALL.
NO USE TO PULL THE TRIGGER,
THEN TRY TO STOP THE BALL.

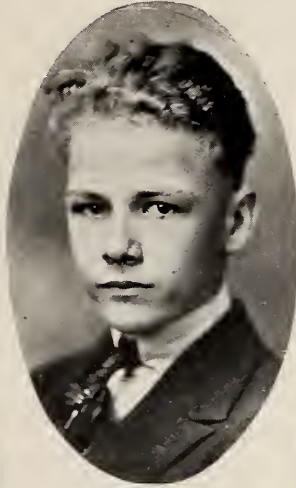

IT'S EASY ENOUGH TO BE PLEASANT
WHEN LIFE FLOWS LIKE A SONG;
BUT THE MAN WORTH WHILE
IS THE MAN WITH A SMILE
WHEN EVERYTHING GOES DEAD WRONG.

FORWARD, THE ALUMNI!

A new birth of enthusiasm and a regeneration of school spirit accompanied the laying of the corner-stone of the new Heights High. This act kindled a fire of renewed loyalty and devotion to the high school, which has burst forth in full blast during the last two years and manifested itself in many ways. This does not mean that Heights has been a real school for only two years, but simply implies the coming to a head of those forces, so long dormant and struggling to maintain an existence under favorable circumstances. One of the most

prominent manifestations of this increased interest is the founding of THE ALUMNI ASSOCIATION OF HEIGHTS HIGH SCHOOL.

The Heights Alumni—founded in the summer of '21, and immediately experiencing a remarkable growth—has aims and purposes similar to those of any alumni association. That school-day spirit of loyalty and fellowship toward our Alma Mater and toward each other will be recalled and perpetuated; those days of reunion and “get-together” will be enjoyed and looked forward to by the alumnus; and, above all, a confederated aid, in conjunction with other community organizations, will be developed and bestowed upon the school.

The Alumni Association will serve as a clearing house and service station for the school. The alumni are near the people—near all kinds of people. They are at the same time trying out the practical value that they have received in high school. They are discovering wherein their high school work was sufficient and wherein it was insufficient. They know to what extent they have been favored in their business or student life, and they know to what extent they owe their present position in the esteem of their associates and in the business world to the practical training they have received in high school. Having been trained at the high school, they know many of its strong and weak points. They watch the school's progress from a distance; and, being loyal to its interests, their comments and suggestions are to be considered as coming from a friendly source and, therefore, as having constructive value. The alumni are directly a boost to the school and indirectly an inspiration to the undergraduate.

The affection of the alumnus for his Alma Mater has made him a willing and generous contributor to those enterprises that have seemed to him fit subjects for alumni support. It is well known that the fondness of certain graduates for the physical activities of the student body has set a commendable example for those whose tastes lie in other channels but who have failed to recognize the strength and constructive results that come from enthusiasm efficiently organized. Affection for his Alma Mater burns in every alumnus' heart and sooner or later calls him back; but unless he can find a place where he might express his devotion, he feels that he is leaving a duty undone. This larger duty of the alumnus is to draw conclusions and to help economize those elements in his school which tend toward physical and intellectual betterment and thus toward a general uplift of the community. The opportunity to render this service is found in the organization of his fellow alumni.

A word is sufficient to describe the economic and social benefits which the alumnus derives personally from his membership in the association. That side is too well known. What is happier than a renewal of old acquaintances? Where can there be found a greater source of pleasure than at a reunion of an old school-day crowd?

With these objects in view, and with every interest of our Alma Mater at heart, we complete our first year of activity and hope to increase our prestige and value to the school; and may the executive capacity of our Alumni Association be so broadened in future years that it can foster any movement and function in any department which will tend toward an enhanced welfare of our school.

THE PRESIDENT.

BOOSTER CLUB

FRANK D. HINES.....	<i>Chief Booster</i>
BRUCE HILL.....	<i>Assistant Chief Booster</i>
LOUIS GREEN.....	<i>Cash Booster</i>
VIVIAN BURNETT.....	<i>Scribe Booster</i>
HARVEY FITE.....	<i>Song Booster</i>

The "BOOSTER CLUB," a name applied to all loyal students of Heights High, is the largest, as well as the most enthusiastic organization, of the school. The fundamental purpose of the Club is to foster all activities and to promote school spirit. Meetings are held on Wednesday morning of each week for half an hour in the auditorium.

The Club was reorganized on September 28, 1921, with the following officers: Frank Hines, Chief Booster; Volney Shown, Assistant Chief Booster; Miss Louise Carleton, Sponsor, and Merle Sanders, Song Booster. With the exception of Bruce Hill's succeeding Volney Shown and Lawrence Jensen succeeding Merle Sanders, the same cabinet served for the latter part of the year.

The sale of candy proved to be an excellent means by which funds could be raised; arm bands, pennants and caps of school colors were sold to students at a small profit, especially during the football season. For a short time a moving picture was presented once a week in the auditorium under the auspices of this organization.

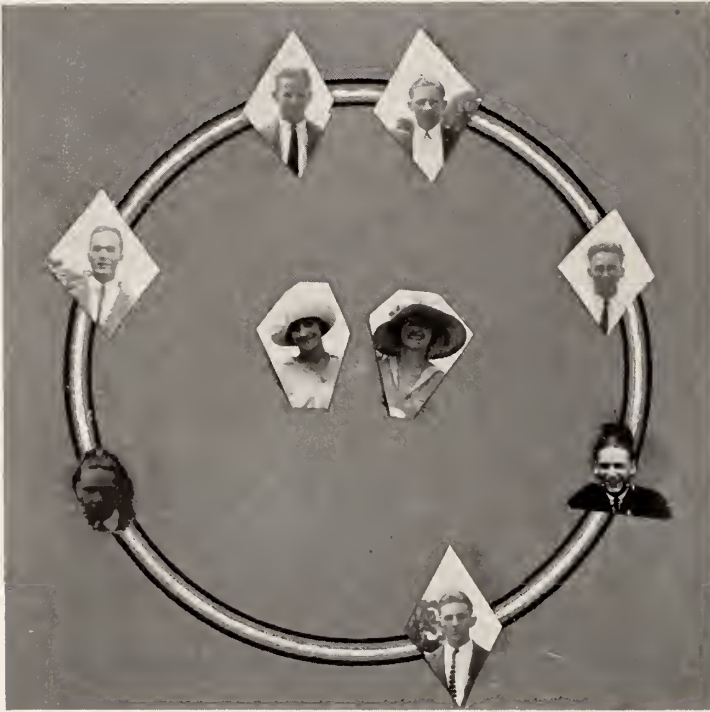

The dean, Mrs. Creekmore, has been willing to help the Boosters in any of their undertakings, and it is partly due to her efforts that so much has been accomplished. The unusually enthusiastic spirit of the students this year has been almost entirely due to the influence of this Club. Especially during the football season, loyal spirit was aroused by songs and yells. Stage scenery has been donated to the school by the Club, as well as black curtains for the auditorium, in order that it might be possible to present moving pictures. Two cases for the loving cups of the football team were given to the school by this Club.

Among the most successful events was a concert rendered by Enrico Rasaplo, a noted Chilean violinist, and an activity program which gave the public a comprehensive idea of the work carried on by twenty-seven various clubs, vocational departments and associations of the school.

Although the Booster Club is only two years old, it can easily be seen that it has already proved a real advantage to the school.

CLUBS

LITERARY CLUB

The Literary Club was organized on October 28, 1921, with Gladys Williams, President, and Miss Elizabeth Dukes, Sponsor, under whose able care the Club has grown from a very small enrollment to its present number of seventy-five.

GLEE CLUB

In the beginning of the spring term Miss Stevens surprised the students of Heights Senior High School with the good news that a music department was to be organized. With the patient efforts of our instructor, Miss Dawson, the Glee Club has grown to be one of the most useful clubs of the school.

THE HOME ECONOMICS CLUB

The Home Economics Club was organized for the purpose of bringing more outdoor activities into the girl's school life and of studying the new problems that come up in the Home Economics Class. So far this Club has not been very active, but with the help of our Sponsor, Miss Towles, we hope, by next year to have a very active club.

PEP GENERATORS

MOTTO: *A flowing Stream of "Pep."*

The Pep Generator Club was organized for the particular purpose of arousing pep in the student body. It has not only shown pep, but it has produced pep in many students for every progressive and wholesome activity of the school.

HOME NURSING CLUB

The Home Nursing Club was organized October 15, 1921. Among the activities of the Club were two trips to the Houston Fair Grounds, demonstrating home nursing; one to Sylvan Beach, one to Spring Creek on San Jacinto Day; visits to the Texas Bread Factory, to the Mission Pickle Factory and to the National Biscuit Company; a hike, and a St. Patrick's Day party.

HI-Y CLUB

The Hi-Y Club was organized to create, maintain and extend throughout the school and community high standards of Christian character. The objectives of the Club are popularly stated in the following slogan: Clean Living, Clean Speech, Clean Athletics and Clean Scholarship, and this means contagious Christian character.

CLUBS

KAMERA KLUB

The Kamera Klub was organized in October, 1921. At our first meeting the following officers were elected: Harry Cook, President; Warren Gordon, Minnie Neel and Clyde Melton, General Committee, and Perla Mae Turney, Secretary and Treasurer. Although this club was not very active this year we hope to be one of the liveliest clubs here next year.

GIRLS' HEIGHTS "Y" CLUB

The Girls' "Y" Club was organized early in the year with Miss Cox and Miss Marshall Dukes, Advisors; Miss Stone, Girls' Work Secretary, and Helen Farren, President. Many interesting programs were given throughout the year.

DEBATING CLUB

The Boys' Debating Club of the Heights Senior High School was organized early in the fall term with the following boys as members: Asa Bordages, Donald Hollman, Howard Creekmore, Claude Wimberley, Roland Davenport, John Palmer and Maurice Waltrip. The Club had a very successful year, defeating Central 2 votes to 1.

LA TOLTECA

This club was formed in 1921 with Helen Reeves as President and given the name of "La Tolteca," which signifies builders, and its name holds true, according to the second year of its growth. La Tolteca was organized to create a greater interest in the Spanish work and it surely accomplished its purpose.

LEGIO LATINA

MOTTO: "*Crescat Scientia*"

The Latin Club was organized with Mildred Fulton, President, and proved to be one of the most active clubs in the school.

LE CERCLE FRANCAIS

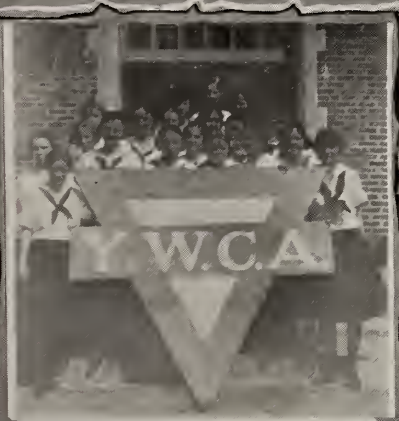

Le Cercle Francais was organized in January, 1921, with May Hickey, President. The Club was organized as a means for the pupils to learn more of the French people and customs. Miss Beraud was the successful sponsor of this club.

SOCIETY NEWS

HALLOWE'EN DANCE

The first and most delightful social affair of the year was the party and dance given by the Junior Class in honor of the Senior Class on October 31 at the Heights Club House. The house was beautifully decorated in the season's colors, maroon and white. The music was furnished by Miss Marion Grambling.

NEW YEAR'S DANCE

The Senior Class was highly complimented by being the honor guests, on New Year's Eve night at the Club House, of Miss Vivian Burnett. The class colors of green and white were carried out beautifully. Horns and canes were given as favors to the many participants. Delicious punch was served throughout the evening. Chaperones were Miss Pearl Redwine and Mrs. Burnett.

ALUMNI DANCE

Another social affair of considerable interest was the Alumni dance given by several members of the Heights Alumni, who are students at Rice, in honor of the Senior Class, in order to make them feel welcome at Rice next year if they expect to attend there next year. Hot chocolate and sandwiches were served during the evening. Music was furnished by Rice Joy Spreaders Orchestra.

COMMUNITY PARTY FOR SENIOR CLASS

The Parent-Teachers' Association of Heights Senior High School entertained January 18 at the school auditorium in honor of the Senior Class of 1922. The guests were received by Mrs. Morrison, Mr. Cousins, Mr. Waltrip and members of the faculty, assisted by members of the Senior Class. A short program, consisting of a reading by Miss Naomi Dukes, a piano solo by Miss Hazel Griggs and a number by the school orchestra was rendered. The speakers of the evening were Mr. R. B. Cousins and Rev. E. P. West.

FOOTBALL AND BASEBALL PARTY

The El Campo game being the first football game of the season, ending in defeat for the visitors, was followed by a party at the home of Miss Zelma Bush. Members of the football and baseball teams were present and the members of the El Campo football team were the invited guests. Dancing and games were enjoyed throughout the evening. At a late hour a delicious ice course was served.

SENIOR DAY

One of the most enjoyable and most wonderful days of our senior year was Senior Day, which was May 5, at Sylvan Beach. At four o'clock the game between Heights and St. Mary's Seminary began, the game ended with a score of 7 to 7, as the game was called on account of darkness. Everyone had a most wonderful time and this was the end of a perfect day.

SOCIETY NEWS

JUNIOR-SENIOR BOAT RIDE

The Juniors honored the Seniors with the annual boat ride to San Jacinto Battle Grounds on April 15, 1922. With great joy the anxious Juniors saw the day dawn bright and warm; everyone in his or her new Easter toggery made a spectacular sight, as to the strains of Fisher's Jazz Orchestra the "Ethel B" and the "Nickolaus" raised anchor and steamed away from the Harrisburg wharf.

The trip down the channel was made pleasant by the gay spirit of the students, the dance music and the weather.

In the afternoon the dance pavilion was the most popular spot; however, many rowed and several swam, while groups with kodaks scattered here and there searching for the most picturesque views.

The return trip was even more enjoyable than the one in the morning, for every one was served a light supper of sandwiches and cake.

The Junior Boat Ride Committee and the chaperones contributed largely to the success of the day.

JUNIOR COMMUNITY PARTY

The Parent-Teachers' Association favored the Juniors with a party on March 25 at the school. The Juniors competed with their parents and were distinguished by the fantastic green and white caps they wore, marked with a huge '23. Late in the evening an intermission in the games was made pleasant by the delicious refreshments served in the cafeteria.

"MUCH ADO ABOUT BETTY"

An interesting event of the year was a play presented by the Juniors, "Much Ado About Betty." A large crowd attended the play and enjoyed it very much.

SOPHOMORE SOCIETY

The social activities of the Sophomore Class have been very successful as a result of the co-operation of the members of the class and the enthusiasm and interest shown by our President, Bruce Hill, and Sponsor, Miss Ware. Among the many social events of the year were a Hallowe'en dance, a Christmas dance and a party given by Miss Lucile Cissel.

APRIL FOOL'S DAY

As the first day of April was on Saturday, the school observed April Fool's Day on Friday, the last day of March. The usual costumes were present, but the ingenuity of the students always asserts itself and many surprises in their attire were in store for the faculty. A miracle seemed to have been wrought, for the sedate Seniors, the important Juniors and the lordly Sophomores of the day before now appeared transformed by a magic wand of youth into carefree and happy children. Heights Senior High School, usually dignified and serious, threw aside its reserve and gave itself over to the enjoyment for one day in the year.

ATHLETICS

THE SQUAD

REVIEW OF FOOTBALL SEASON OF YEAR 1921

Although our football squad did not gain the championship, as it did last year, it made a remarkable showing. The loss of twelve letter men crippled us severely and we never did overcome the handicap. We were the undisputed champions of our district, and because of a defeat the whole district was disqualified by the Interscholastic League. "Champions" was not again annexed to our name, but the defeat which we handed Central satisfied every player, student and citizen of Houston Heights. This was, without doubt, a harder fought and a prettier game with more interest displayed, than the championship contest between Bryan and Oakcliff of Dallas. We prophesy that with an aggregation of fast, brainy, experienced football players next year will be another great season for Heights, and we hope to be contenders for State championship.

The students, and players especially, want to thank the "Buy-a-Blanket Club" and the untiring efforts of Mr. McCready, for the beautiful maroon and white blankets which were presented to the squad. They are a collection of the prettiest and most attractive attire that any football player could ever wear.

FOOTBALL SPONSOR AND MAIDS

For the football sponsor for 1921, the school, its patrons and friends cast a unanimous vote of appreciation for the service and the spirit which they showed at every game. At all games, whether at home or away from home, they were present with their yells, songs and encouragement; these were welcome to every player and spurred each onto victory. Their support was well displayed before, during and after the Central game, which won us city-wide fame as the liveliest High school rooters ever heard in Houston.

They include these:

MINNIE E. NEEL, *Sponsor*

HELEN LEATHERBERRY

EDNA FAE JAMES

EDNA MAE HEARN

TURLA MILLER

ANNA MAE MCCARTY

COLETTE HOLBERG

VOLNEY SHOWN—"Papa"
Right Tackle, '18, '19, '20, '21

Papa, our giant right tackle who captained us through the season, proved to be a leader worth while, not only being a great offensive man in opening holes, but a terror on the defensive, causing a sigh to come into the opposing team's heart at his first appearance. Being a great punter and passer, he was of vital importance to the team at all times. With Papa it was another case of Dan Cupid hitting his mark; we seriously believe, that had he waited, he would have brought Heights High fame, as well as himself, in some college or university with his wonderful football ability.

GLYNDON PARMALEE—"Shorty"
Quarterback, '18, '19, '20, '21

Shorty for three years has acted as the brains of our team. The first year he played end, but soon settled where he belonged. None but the players alone know the value of this man's playing, personality, pep and fighting spirit. He is a wonderful field general and, without a doubt, the best in the State in '20 and '21. Passing and drop kicking are his specialty, and he excelled in them. Indeed, the school loses one of the greatest players and quarterbacks that any high school ever had by Shorty's absence from roll call this fall.

LOUIS E. GREEN—"Suede"
Right Halfback, '16, '19, '20, '21

Our four-year backfield man and a consistent man, Louis is at all times a star in every game. Suede is one of the coolest-headed backfield men in the State and proved he was fast in the Central game, making the second touchdown after a beautiful long end run. Heights will not replace Suede for a long time, as he has set a tradition for other halfbacks to look forward to.

KENNETH NAIRN—*"Red"*

Left Guard, '19, '20, '21

Red, our reliable left guard and one of the best fighters on our team, deserves much credit for his continual starring on the line. He is easily an all-State lineman and without him Heights was always severely handicapped. We hope that to whatever college he goes he will deliver the goods for them as he did for Heights. We will miss Red, as he graduates this year.

TED BOSWELL—*"Form"*

Fullback, '19, '20, '21

Ted has served in the capacity as fullback for the past three years and is known as the hardest line plunger to stop anywhere to be found. He being fast is a great help at the position of fullback. He has an unusual way of shaking off his tacklers, and is a sure ground gainer each time he is called upon to carry the ball. Ted will be back next year for his last time and is expected to star.

FRANK D. HINES—*"Smiling Hines"*

Left Half, '20, '21

Frank Hines, or "Smiling Hines" as Central called him, was a terrible plunger and a demon on long end runs. He was fast and kept his opponents in constant worry, should he get away for those famous long runs of his. He always played his hardest and kept the old Heights spirit at its height. In the Central game, of which he was the star, he made several 30 and 40-yard runs. Hines was considered by many the greatest halfback in the State. Hines will be greatly missed next year, as he graduates this term. The college that gets him will surely value him as Heights did.

HERBERT BEUTELL—"*Beef*"

Fullback, '20, '21

Hail our vicious, brawny fullback of '21! Beef came out in '20 and learned the game. It takes years of experience to play real football but, to see Beef play, one would think he learned all the football in one year. He was a wonderful defense man and played the game hard. He always had his shoulder against the wheel pushing just a little harder each time for Heights. Heights will lose a valuable man this year when Beef graduates.

FRANK STAMPP—"*Tramp*"

Right End, '19, '20, '21

Tramp was one of those light, fast football players who hits like a bullet. He showed up exceptionally well in the Central game, and Heights would have felt the loss of such a valuable player. Heights loses Tramp this year, as he has finally graduated. We are in hopes that his brother, Bob, may be able to fill his shoes next year.

LAWRENCE JENSEN—"*Slim*"

Left Tackle, '20, '21

Slim is Heights' all-round athlete, with the honor of excelling in football. He distinguished himself in the Central game by completely out-playing his heavier opponent. His playing was consistent and reliable at all times. Any college will appreciate him as a student and athlete. Heights will be at a great loss for Slim as he graduates, leaving his position vacant.

EDWARD PRATHER—*"Bolivar"*
Guard, '20, '21

Ed had a great season this year and his playing in the Port Arthur and Central games made him a wonderful reputation. We have in Ed one of the best guards in the State. In one of the games, after he had disabled about six men, it was said that he asked the coach after the game, "Well, how did you like the way I treated them today?" Heights also loses Ed this year.

JOHN WIMBERLEY—*"Lead"*
Center, '21

Everyone changed Lead's name to Bus after he made that touchdown against El Campo, for he was certainly picking his feet up and laying them down in a hurry. Bus proved himself worthy in the way he played his position and he was a hard tackle and a hard fighter. Heights regrets losing him this year.

NEIL ROGERS—*"Chip"*
Left End, '21

Chip came in handy just in the nick of time to make Heights a good left end, of which she was sorely in need. He filled it with glory. A very speedy, heady, hard-tackling end, he specializes in catching forward passes. Chip comes back next year and we expect him to star.

EDWARD TORIAN—"Tubby"
Guard, '21

Tubby, who filled the vacancy of Red Nairn at guard one hundred per cent, deserves much credit for his showing in football. This was his first year out, and to fill a regular place at such a critical time is wonderful. He will be back next year and the same old fight he displayed in the Central game is expected to show in him more than ever.

HENRY HENRICKSON—"Jake"
Full Back, '21

Jake was handicapped, due to lack of experience, but we give him the credit he deserves, for he certainly fought hard in every game and made up for his lack of knowledge by his vim and vigor. He was a great line plunger and much more is expected of him next year, as he is with us again.

TOMMY GUSTAVUS—"Cat"
Right Halfback, '21

Cat made his debut as a football player this year, giving everything he had, consequently making a letter, which is the ambition of every player. Cat is a hard line plunger and fast around the ends. He specializes in punting and is regarded as the prettiest punter in this district. Much is expected from Cat next year.

ALTON TIDMORE—"Captain"

Tidmore came out for his first game at Senior High, working his way to a position where he was best needed. In the absence of Parmelee, on account of sickness, in the Livingston game Tidmore filled his place wonderfully, directing the team with a veteran's ability. He also carried the ball for many gains. He will be back again next year and is expected to make a star quarterback among high school players.

AUSTIN HART, JR.—"Slunkey"

Slunkey proved to be a great help at center this year with his weight and accuracy in passing. His passing immediately recalls that of Kendricks' to mind, and his defense is always acceptable. Great things are expected of Slunkey next year.

JAMES WEATHERFORD—"Red"

Center, '21

Red came out for the first time and put all he had into the game at all times. He proved to be a valuable man, playing at several positions. At center, in the Central game, he showed his best. If luck has its way, Red will be back with us again next year, and much is expected of him.

STANLEY COUVILLION—"*Cagen*"

Left Guard, '21

Because of his consistent work, Cagen won a letter and deserves much credit for his showing in every game by stopping his opponents with ease. Cagen is a hard working chap and with this same ability is expected to bolster up a line for old Heights next year, as he has two more years.

ROBERT WALTRIP—"*Cuckoo*"

Right End, '21 (Reserve, '20)

Cuckoo was noted for his pluck and fight to win a place on the team. Due to injuries received in practice, he was out most of the year. Heights expects much from him next year.

HARVEY WILL FITE—"*Nigger Lip*"

Guard, '21

Harvey Will Fite has proved himself this last season in the games in which he played. He was hampered by inexperience, but played the game hard.

J. B. MARMION—*"Jay"*

Right End, '21

Jay had a wonderful season and was of the greatest help to the team this year. His dash and pluck were admirable. Heights expects big things from him next year, as he is fast and has quantities of pep.

LLOYD BLACKSTONE—*"Butter Fingers"*

Lloyd, in the position of fullback, proved more than once that he possessed a good drive and was powerful. He was a new man, not only on the team but also in the school.

LAMAR MURRY

Lamar took part in many forms of athletics. In football he was fast, was willing, and possessed good possibilities for next season.

ROBERT D. COUNTRYMAN—"Hickory"
Coach, '20, '21

Hickory is the best friend that Heights has ever had or will ever have. He has trained and coached us for several years; his wonderful personality and good valued sportsmanship were ever felt by all the boys. Due to his football tactics and his knowledge, he has called forth the real fighting spirit of the team.

ECKHART ABERCROMBIE—"Eck"
Left Half, '21; Captain-Elect, '22

Eck is a 150-pounder, is very speedy, and has a cool head. Contrary to custom he starred in his first year of Heights Senior football. He demonstrated very much cleverness in sidestepping. It has been said that Eck is one of the hardest men in the State to down because of his peculiar style of running. He is a clever passer and has an uncanny ability at receiving the ball. When Hines was out, we were not forced to worry with this capable boy to fill his shoes. He is liked very much and will make an excellent leader for the Maroon and White, for he is a fighter. We wish him all the best results as captain.

JIM DAIN—"Trusty"
Coach, '21

Josh indeed was the miracle man of coaches. He was given charge of the squad immediately after the Beaumont game. He came into the midst of a group of broken-hearted, discouraged football players. He, with the spirit of the student body, built up a morale that won every remaining game. Much credit is due Josh for the system and theory which he gave the squad.

HEIGHTS 35—EL CAMPO 0

Our superb football squad defeated the lighter El Campo eleven in the first game of the season at Rice Institute field by the score of 35 to 0. The backfieldmen gained consistently through the El Campo line. Two of the five touchdowns were made after recoveries from blocked kicks. Two of the remaining three touchdowns were made by Green, Heights' fullback. Hines was responsible for the fifth score. Shown, Heights' 235-pound tackle and captain, kicked goal each of the five times. As the first one of the season, the game was counted a big success.

HEIGHTS 61—HUMBLE 0

Without having the ball advanced in their territory once, our husky team defeated Humble High by the score of 61 to 0. The general team play of the eleven featured. Only once during the entire game did our team have to kick. Hines and Green featured in the backfield, while Parmalee showed excellent generalship at quarterback. On the line, Wimberley and Shown played best. Only once during the game did Humble make a first down on us. This occurred on a fumble. The feature run of the game was a 65-yard run by Stamp. Hines tore off a 45-yard run, both runs being made on a forward pass and both resulting in a touchdown. Captain Shown kicked seven goals for touchdowns out of seven attempts.

HEIGHTS 9—PORT ARTHUR 3

After a defeat at the hands of Beaumont, our team journeyed to Port Arthur with blood in their eyes, determined never to experience defeat again. Mr. Jim Dain made his appearance as head coach of our team, and from just a few days' practice instigated a system which was superior to that of the opposing team. The game was hard fought throughout, it being anybody's game until the final whistle blew. Parmalee's deadly toe proved again its accuracy by booting a perfect 30-yard field goal across the bars. Green was responsible for the lone touchdown of the game, also the last of the scoring. Hines played a wonderful defensive game, making the majority of the tackles, also playing a bang-up defensive game, making first downs repeatedly when called upon for a gain. The playing of the entire squad was the feature; with playing of this kind, our squad found its championship form and could not have been beaten by anyone.

HEIGHTS 1—EAGLE LAKE 0

As the Heights visited Eagle Lake in the memorable football season of '21, Eagle Lake in turn visited us in the year '22. It was the one and only game played on the Heights gridiron. On that day our men received their blankets and they went upon the field in all the glory of the Maroon and White! Just as the game was reaching the pitch of highest excitement, Heights having scored 3, by Parmalee's deadly toe, and Eagle Lake scored 0, Eagle Lake forfeited the game. Thus it ended, 1 to 0. Had it not been for the forfeit, it would have proved one of the most interesting games of the season.

HEIGHTS 0—BEAUMONT 10

Heights journeyed to Beaumont, twenty-two strong, full of confidence, and received one of the cleanest drubbings she ever got. We expected to come back winners by at least 21 points. The old adage held good for a team who is over-confident, and we lost 10 to 0. The machine-like operation, of which our team boasted, was not there. Every man played an excellent individual game. Except for a 30-yard run through the line by Parmalee, our star quarterback, the Maroon and White had no long gains. Our regular left halfback, Hines, was compelled to leave the game shortly after it had begun, due to a bad knee. Abercrombie, during the third quarter, received the ball on the kick off, and by twisting and sidestepping, returned the ball 35 yards. Abercrombie was substituting for Hines. Green played a wonderful game on the defense and ran some excellent interference. Stampp and Prather also played a stellar game, our little end making many difficult tackles. We have no alibi, for, when a team like the Heights gets over-confident, she deserves a beating, and takes her medicine without a word.

HEIGHTS 41—LIVINGSTON 0

By a score of 41 to 0 our brave football warriors crushed to defeat the Livingston High School eleven Saturday morning at Rice Field, which were unable to suppress the onrushes of our heavy gridders, who, time after time, went down the field for a touchdown. The playing by both teams was ragged and fumbles were numerous throughout the entire game. The Livingston gridders put up a good fight, but the hard charges of our players proved to be too much for them. Coogler, left halfback, proved to be the star backfield man for Livingston. He broke through the Heights line and around their end for many yards, and the Heights men had to be alert in order to stop him. Many forward passes were also tried by the visitors, but they were all unsuccessful. Abercrombie displayed his wonderful broken field running and was responsible for two touchdowns. Taking the place of Hines, who was injured, he proved to everyone that his ability to play football was great. Green and Hines also showed excellent form, being responsible for several touchdowns.

HEIGHTS 13—CENTRAL 0

This was absolutely the biggest game of the season. In the annual battle between Heights and Central, which was staged at Rice Institute Field before a crowd of not less than 5,000 rooters, our boys won the city championship in one of the greatest, bitterest and at the same time cleanest high school football games ever played on a South Texas field. Our boys, as far as ground gained was concerned, outplayed Central throughout the game. The heavy Heights line literally waded through the Central squad for first downs, but penalties in two instances averted what threatened to be a touchdown. By hard fighting Central managed to hold our boys scoreless for three periods that tested the best in courage and endurance in both teams. The great outstanding feature of the game was the broken field running by Frank Hines, Heights' left back, who on three occasions dashed away for 45, 35 and 30 yards. Once, with the ball on Central's 10-yard line, Heights lost a chance to score through an offside offense. The break in the game came late in the fourth quarter when Hines, by a 30-yard dash, placed the ball on Central's 6-yard line. Shortly afterwards he crossed the line for a touchdown. The second touchdown was made by Suede Green after a run of 22 yards, making the final score 13 to 0. The playing of our linemen featured, as they made a wall of defense that turned back Central's backfield men time after time, Central making only 86 yards compared to 380 by our squad. Jensen, Stamp and Shown starred in the line. Credit for the game can be given to no one individual, but to the splendid co-operation of all the players, whose teamwork made the victory possible.

Next in importance to the game was the wonderful school spirit exhibited. The students of Heights turned out in a body to support their team. The parade staged by Heights the night preceding the game, when we informed that part of Houston that happened to be in the downtown district that there was to be a football game the next day, was a great success. The student body upheld the Sponsor and Yell Leader in their efforts to back the team, one hundred per cent strong. The parade which we staged on that memorable Saturday night in celebration of our victory is another event which will live long in the minds of all Houston.

HEIGHTS HIGH VS. CENTRAL HIGH

When Central High met the Heights High upon the gridironed field
With both sides' heroes sworn to die before they'd give or yield,
It was a wonder winter day, not marred by wind or cloud,
And either side of the great field held its enormous crowd;
And Heights was cheered and Central cheered until the welkin rang,
And flags were waved and horns were blown and happy voice sang;
And the cheer leaders on each side brought out a wave of sound
Which mounted up into the sky and filled the country round!

And then the whistle blew, and then the rushing cohorts merged,
And up and down across the field in mighty struggles surged;
And Central waved her flags and cheered her warriors to the fray!
And Heights High called her men by name and bade them win the day!
And as they struggled forth and back with courage strong and fine
The Central bleachers rose and yelled to them to "Hold that line!"
Then Heights and Central boosters rose and cheered and cheered
again!
And every heart on either side was with their fighting men.

When the tale of that fight is told by those upon the scene
They'll speak of Heights High spirit, and will speak of Hines and
Green,
And will give praise where praise is due for a hard fight well won—
For the score stood thirteen to nought when the red day was done—
Then with eyes shining and hands clinched they'll speak of Central
High
And tell of Jeter's wonder play, and tell of Hochuli—
And how with broken collarbone and his strength all but gone
He went berserker in his grief and wanted to play on!

And we are proud of Heights High now, and proud of Central High!
Of the school spirit of both sides. When we see banners fly
And see men march to battle, we shall think of these strong sides,
Of when they met upon the grid and how the battle's tides
Surged forth and back, and came to grips upon the chalk-margined
field;
Of how both sides had learned to fight, and neither how to yield;
Heights High won a fair victory. Central took fate's decree—
But to lose as it lost that day is like a victory!

BASKET BALL

Making its debut at Senior, basket ball made a great impression on the students of our school and on the City of Houston. The quintet was one of the fastest and brainiest combinations in the city. Being its first year, and every man a green one as far as basket ball was concerned, the quintet had a very successful season.

Our team had one of the best coaches in the State. In having Mr. Ross Clark the result was that a forward was developed as a contender for an all-State position; Everett Richardson, our captain and star forward. He deserves much credit for his fighting, pluck and spectacular playing, and his leadership of the quintet.

In Robert Stamppe we have a forward equally as good as Richardson, but inexperienced. Heights expects much from Bob next year, and from his showing this year we feel assured he will live up to all expectations.

Our center and all-round athlete, a star at all times, and one of the most serious, hard-working athletes in the school, is Lawrence (Slim) Jensen. He was unequalled in this position by anyone in the city. We surely will miss Slim next year, and wish him all luck in his future at some college or university.

In the guards, Cox, Lawrence, Longcope and Cook, we had a combination that put fear into an opposing forward. They were a great defensive team, fast, hard workers, always on the job.

With the exception of Captain Richardson and Lawrence Jensen, the entire team will be back again next year, and with Captain-elect Carroll Cox as a leader we are confident a quintet from Heights will participate in the finals at Austin.

BASKET BALL

HEIGHTS 24—HARRISBURG 16

The first game of the season was played at Harrisburg, Heights being the winners 24 to 16, which victory was accounted for by the steady work of the Heights five in the second half.

HEIGHTS 16—PEDAGOGUES 12

This was the first game in the Post City League. The Pedagogues were outclassed throughout the game.

HEIGHTS 16—Y. M. C. A. 5

Heights was an easy winner over the fast Y. M. C. A. five.

HEIGHTS 22—ADMIRATION 16

The greatest surprise of the season was the defeat Heights handed the Admiration team.

HEIGHTS 28—VICKS CLUB 9

Heights easily defeated the Vicks Club. Only second string men were used in the game.

HEIGHTS 16—HUMBLE 15

The close score of this game is due to the fact that Heights played on an outdoor court.

HEIGHTS 17—ADMIRATION 23

Heights was off form in this game, therefore losing it by a few points to one of the best teams in the Post City League.

HEIGHTS 17—CENTRAL 20

This was the last game of the season. Heights clearly outplayed the Central five in the first half, the score being 10 to 8 in favor of Heights. Central forged ahead in the last three minutes of play, by shooting two luck shots in succession.

OUR EDITOR-IN-CHIEF
READY FOR ACTION

FACTS ABOUT EACH OF THE BASEBALL PLAYERS

Clyde Melton (Everett), captain and shortstop of our nine, plays a brilliant game at his position and everyone recognizes Everett as a fast and heady player. He is a dangerous hitter at all times and is feared by all opposing slabmen.

Robert Stamp (Roger) is our reliable second sacker and fills the keystone position with ability equal to his brother, Frank. Filling the shoes of this worthy player is at once pronounced a finished second baseman. He is also a consistent hitter.

Frank Hines (Harry) is our star center fielder and has proved he has a good arm. He can fill any position on the team very well. Harry is also a dangerous man at the bat.

Lawrence Jensen (George), serving his third consecutive year as regular first baseman, is fast maturing into a veteran at the initial bag. George is a remarkable fielder as well as a sure clouter. He serves in the lineup as clean-up gentleman.

Henry Austin (Roy) is our regular catcher and surprised the squal with his fighting defensive game. He pegs well and is a good hitter. The nine appreciates Roy's services and his ever-fighting spirit.

Buck Weaver (Steve) also serves in the capacity of catcher. He has the making of a catcher and with more experience will be a veteran. His hitting is remarkable and he has a good arm, which he uses to good advantage against base thieves.

Bruce Hill (Wait) is a superb pitcher and throws from the right side. He keeps the opposing batters guessing. Hits are things that are scarce when Wait is on the mound.

James Weatherford (Walter) is our star port-side hurler. This worthy crooked armed artist is making his debut as a pitcher and is doing exceptionally well. He has the speed, endurance and plenty of stuff, so look out for Walter!

John Wimberley (Frankie) is our third baseman a la mode thus far, but it is expected he will return to right field, hence making the best outfield combination in the State: Wimberley, Hines, Koenecke and Henrichsen.

Clarence Koenecke (Chick) helps comprise our all-State outfield by filling a regular position of right field in great style. He is fast and a judge of an eagle eye on a fly ball. Chick is a good hitter and valuable to the team as a fighter.

Carroll Cox (Sleepy) is also an outfielder and is capable at third base, he and Wimberley alternating at different times. Cox breaks out in a hitting spell and brings sorrow to many a pitcher's heart by his long drives.

Neil Rogers (Spike) fills the workshop of our nine as a catcher. He is there peppering up the game all the time. He is a good receiving catcher and a fair hitter.

Everett Rentz (Pretty) is a pitcher of the right hand position and has plenty of ginger. He is steady and twirls a nice game when he is on the mound. He also fills in the outfield when needed.

BASEBALL

Baseball at our school had a great setback on account of the loss of practically an entire infield, pitching and catching staff; also the valuable services of Bob Countryman, who fills the roll of head coach at Rice this year.

Mr. Gene Bailey gave his services as director and coach of baseball and with a green team has worked it into a winning combination. Having played but three games without a loss, we have all reasons to believe we will go through the season without a defeat, duplicating our feat of last year.

BASE BALL

HEIGHTS 1—S. H. N. I. 5

The old baseball nine traveled to Huntsville on a fair Friday morning, and over a slow, tiresome ride finally arrived via the cordwood route. After a hurried dinner and quick dress, we finally started the first game. Hill, our pitcher, started and ended the game in fine style, striking out nine men and letting them down with seven hits. Errors were responsible for the five scores against us. S. H. N. I. made only one earned run against Heights' lone tally. Without errors and with Hill's masterly pitching, the game might have been continued indefinitely.

HEIGHTS 5—S. H. N. I. 3

The next day proved that after a rest the old life and fight boiled in our veins after a defeat had been handed to us. With every man fighting all the way and support almost infallible, the nine proved their ability in hitting, fielding and pitching. Weatherford pitched a beautiful game for about five innings and then, due to a sore arm, had to be relieved by Hill, who pitched the previous day. The hitting of Captain Melton and the fielding and throwing of center fielder Hines featured the game. The trip proved satisfactory, and after a gay time we departed for home to enjoy the city life again.

HEIGHTS 8—HUMBLE 2

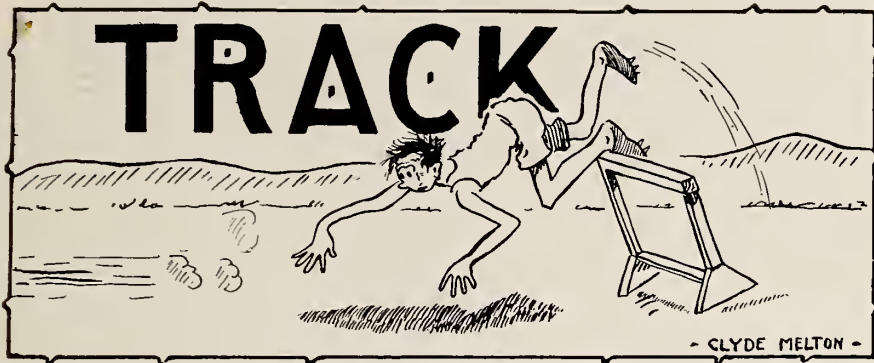

The first game of the season on our home grounds, and the first interscholastic game of the year, proved to the students that Heights had a hard-hitting baseball nine! In a slow, yet interesting game, our nine came out on the long end of an 8 to 2 score. The feature of the game was there was not a fly ball received by our outfielders, therefore for once the outfielders were not recorded in the error list.

HEIGHTS vs. CENTRAL

One of the most interesting games of the baseball season was the defeat which Heights handed Central in the first game of the series, the score being 4 to 0. The perfect co-operation of every member of the team was equalled only by Bruce Hill's superior pitching.

However, in the second game Heights seemed to take a day off. Heights started well, taking the lead in the first innings, although Central was victorious at the end of the ninth.

This defeat necessitated a third game, which was played on Rice Field May 29. At the beginning on the ninth the score stood 6 to 5 in favor of Heights, when Central made two runs, making the final score 7 to 6 in favor of Central. The prettiest play of the game was Lawrence Jensen's home run.

CITY TRACK MEET

The results of the Houston municipal and recreational field and track meet, which was held on Rice Institute athletic field, May 13, 1922, were particularly gratifying to Heights, as Heights Senior High School won first place over Central and Harrisburg and all league teams.

J. B. Marmion was the individual star of the entire contest; he won a cup, two gold medals, one silver and one bronze medal. The cup was awarded because of his being a high point man; taking first place in the 100-yard and the 220-yard dashes gave him the gold medals; second place in the broad jump gave him the silver; third place in the shotput brought him the bronze medal.

Special mention should be made of Earl Kays, who made the quarter mile dash in 56.1 seconds, and Ted Boswell, who took first place in the broad jump by a 20-foot jump.

Ted Boswell, as a winner of third place in 100-yard dash; Eugene Farren, of third in one-mile run; Neil Rogers, of second in 440-yard dash; Harry Cook, of third in 880-yard dash, helped to give Heights high score.

Perhaps the most thrilling single event was the relay race, which was won by Heights team, composed of Boswell, Krammond, Kays from Central the cup which they won last year.

TRIANGULAR MEET

Heights, Central and Rice Freshmen engaged in a track meet on Rice Field. Central won first place, Rice second and Heights third. In the 100-yard dash J. B. Marmion won over Fitch of Rice, the time being $10\frac{1}{2}$ seconds. During the first two laps Central men were in the lead, but in the last two Heights runners forged ahead, thereby taking the relay race.
